**ANSUYA ANGADI : A TEXT BOOK OF RETAILING MGMT** before purchasing it in order to gage whether or not it would be worth my time, and all praised A TEXT BOOK OF RETAILING MGMT:

As per B.Com. III Semester of karnataka State women's University, Bijapur and the other Indian Universities. Prescribed Syllabus and the pattern of Question Papers for the semester examination is included. The book has been written in a simple and precise manner without sacrificing the adequacy of the subject matter. Each topic/ chapter has been explained in a very lucid manner for the students. At the end of the chapter, there are questions on the topics

covered to help students
