Alan Griffiths, Stuart Wall : Applied Economics before purchasing it in order to gauge whether or not it would be worth my time, and all praised Applied Economics:

Applied Economics equips you with the skills and knowledge to apply economic analysis to the current economic problems happening in the world today. Highly praised for its clear presentation, broad coverage of topics, and unique blend of theory and application, Applied Economics brings the subject to life, helping you to understand the relevance of economics in the 'real world';
