**Kim R. Cragin, Bruce Hoffman : Arms Trafficking and Colombia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Arms Trafficking and Colombia:

0 of 0 people found the following review helpful. Five StarsBy Ruben M. GarciaVERY INFORMATIVE0 of 0 people found the following review helpful. Five StarsBy Zach FortierVery informative and helpful in doing research into this area.

Identifies the sources and routes used by arm traffickers to buy, sell, transfer,and ship weapons and the implication of

small arms trafficking patterns for U.S. policy.

The authors constructed a database of more than 500 articles and conducted field research. Methodologically, then, this is one of the soundest of the growing number of research reports on arms trafficking. *Journal of Peace Research*, November 2004. From the Inside Flap: Identifies the sources and routes used by arms traffickers to buy, sell, transfer, and ship weapons and the implications of small-arms trafficking patterns for U.S. policy. About the Author: Kim Cragin (Master's of Public Policy, Duke University) is an international security policy analyst for Rand in Washington, D.C. Her research includes issues of domestic preparedness and counter terrorism policy. Bruce Hoffman (Ph.D., International Relations, Oxford University) is Vice President for External Affairs, and Director of the Rand Washington office. One of the world's foremost authorities on counter terrorism, he is the author of *Inside Terrorism* (Columbia University Press, 1998) among other titles.
