From Asian Development Bank : Asian Development Outlook 2010 Update before purchasing it in order to gage whether or not it would be worth my time, and all praised Asian Development Outlook 2010 Update:

The Asian Development Outlook 2010 Update provides recent economic forecasts for countries in the region. Since the release of the ADO2010 in April this year, developing Asia's performance has strengthened further. This Update raises the 2010 growth forecast to 8.2% on the back of strong results in the first half of the year.
