GoeresDr. Ron Lewis is now a retired history faculty member here at West Virginia University, where I just finished 42 years as a faculty member and administrator. I knew most of the people he described in the book - a fascinating read for me. I've since ordered

and given it as a gift for several folks. In short - a great read! 2 of 2 people found the following review helpful. Ron gets it right. By J. Donovan Ron Lewis has done WVU and the taxpayers of West Virginia an enormous service with this book. He calls it as he sees it, and as the evidence proves it. If you care about WVU, you need to read this book. 0 of 0 people found the following review helpful. Glad By Deborah Wilson Was glad when I saw this.
