Michael Pettis : Avoiding the Fall: China's Economic Restructuring before purchasing it in order to gage whether or not it would be worth my time, and all praised Avoiding the Fall: China's Economic Restructuring:

The days of rapid economic growth in China are over. Mounting debt and rising internal distortions mean that rebalancing is inevitable. Beijing has no choice but to take significant steps to restructure its economy. The only question is how to proceed. Michael Pettis debunks the lingering bullish expectations for China's economic rise and

details Beijing's options. The urgent task of shifting toward greater domestic consumption will come with political costs, but Beijing must increase household income and reduce its reliance on investment to avoid a fall.
