V. Cousin : Banking in China: Second Edition (Palgrave Macmillan Studies in Banking and Financial Institutions) before purchasing it in order to gage whether or not it would be worth my time, and all praised Banking in China: Second Edition (Palgrave Macmillan Studies in Banking and Financial Institutions):

Chinese banks have been making headlines recently, but what lies beneath? Banking in China appears different. What explains the current arrangement? What can we expect from such a banking industry in the future? This book answers these two questions in a fully revised second edition and contributes to a new understanding of Chinese banks.

'This book offers an in-depth analysis of the Chinese financial sector.' - Efmag (Finance, Marketing Distribution Magazine) About the Author VIOLAINE COUSIN currently based in Germany and has extensive experience as a credit analyst. Previously, she worked with second-tier Chinese banks to upgrade their credit risk management and is thus well acquainted with the Chinese banks' environment and challenges.
