0 of 0 people found the following review helpful. Weird mix of drinks not really associated with classic bartending. Only a few cocktailsBy Kindle CustomerOnly a handful of drinks and most are too specific. Don't buy this and get a bible bartending book instead0 of 0 people found the following review helpful. Good referenceBy George MenassasGood reference

Bartending is not just pouring drinks into glasses and cups, it is a skill to be learned, a science to be perfected. Learning how to concoct the ideal mixture of liquids, in precise ratios and perfected flavor combinations helps create a flawless drink experience, tailoring to the individuals' taste palate.
