I had so many questions and I felt that I was bothering my agent and it appeared that either she didn't know the answers or she was unwilling to give them to me. After reading this book it became very clear to me as to what I needed to do and look for when beginning a search

for a house. This book is excellent!!! Now when I talk with my agent she seems surprised that I know so much. This a great investment for anyone looking for a home, Thanks for a wonderful book, Don't buy a home without it!!!!!!!!!!!!11 of 12 people found the following review helpful. Indispensable! A great read! And fun, too!By ErinThank you Michael Corbett! At last, a book on real estate that takes the "fear-factor" out of the process. Down to earth, practical guidance, Michael takes you step by step through a process like a dear friend who has your best interests at heart. His love for the subject is obvious; his book is infused with an infectious humor and realistic approach, so that you feel as if he's talking to YOU. A fast and easy read, full of simple to understand graphs, and clear explanations, Michael Corbett gears the book for today's market. His wealth of knowledge as well as the information he offers is impressive, to say the least. This is the kind of book that will save you time and money, taking all the guess work out-- you feel as if you're saving years on the learning curve. He's truly an expert, and after reading the book, I felt confident that I could begin applying what I learned right away. Confident, and enthusiastic! If you're planning on investing in real estate in today's volatile market, this book is a must.Thank you Michael Corbett. A great book!9 of 10 people found the following review helpful.
