Belinda Waldock : Being Agile in Business: Discover faster, smarter, leaner ways to work before purchasing it in order to gauge whether or not it would be worth my time, and all praised Being Agile in Business: Discover faster, smarter, leaner ways to work:

Being Agile in Business provides simple, jargon-free advice that is designed to be read in an agile way - in short bursts that can then be put into action in the real world. The book walks the reader through agile, explaining how the strategies and tools can enable organisations and individuals to work faster and smarter and navigate the uncertainty that all businesses face every day. As well as tactics, tools, templates and other practical guides on agile project management and business agility, Being Agile in Business provides real life case studies to illustrate just how agile can enable leaders to find their own way to thrive in any situation. Agile and lean aren't just business buzzwords - they're the fast and efficient methodologies you need to change the way you work - for good. Work faster, think clearer and improve your agility, both professionally and personally, with a suite of powerful tools that will introduce you to the essential skills and mindsets of agile and lean and quickly encourage you to start thinking differently. **Get up to speed:** learn all about agile and lean and how they can work for you **Stop wasting time:** think smart, act fast, be adaptable and get more done **Be efficient:** spot opportunities, maximise your resources and blast through barriers **Get results:** maximise quality and value and turn your ideas into reality For a clear, collaborative and more enjoyable way to work, start being agile - today!

'Great, practical and comprehensive. Learn how to apply the agile mindset directly to your business and see it flourish.' Marcin Floryan, Tech Lead, [comparethemarket.com](#) 'Such a wide range of useful and modern techniques. It's an inspirational manual for any business leader!' Jim Barritt, Principal Consultant, ThoughtWorks 'A must-read for anyone considering adopting agile, it will significantly speed you to "aha" moments.' Olly Brand, IBM and agile practitioner 'An enjoyable read from cover to cover on the core practices and benefits of being agile', Kate Hughes, Group Program Manager, Client frameworks, Skype 'How to use agile in any business. Every business could use a lesson in collaborating effectively, working more efficiently, and navigating uncertainty.' Melissa Perri, CEO, ProdUX Labs 'Learn a new way of working - quickly and simply.' Michael Barritt, Managing Director, Sullivan Cuff Software Ltd From the Author Belinda Waldock is a leading business coach who has worked to help hundreds of small to medium sized businesses to overcome the challenges of fast growth by adopting agile practices to create a culture of agility. **Being Agile in Business** provides simple, jargon-free advice that is designed to be read in an agile way - in short bursts that can then be put into action in the real world. The book walks the reader through agile, explaining how the strategies and tools can enable organisations and individuals to work faster and smarter and navigate the uncertainty that all businesses face every day.
