Angela Maiers : Classroom Habitudes: Teaching Habits and Attitudes for 21st Century Learning before purchasing it in order to gage whether or not it would be worth my time, and all praised Classroom Habitudes: Teaching Habits and Attitudes for 21st Century Learning:

0 of 0 people found the following review helpful. Teaching for the 21st Century and Beyond...By Christine DePetrilloNice focus on teaching students how to be lifelong learners instead of mere receptacles for content knowledge.2 of 2 people found the following review helpful. Love it!By John M.All teachers need to read this book! All politicians and people who have their hands in the demise of education in America need to read it! If you believe

the standardization of education is unethical and immoral and you want to know what you can do for your children to salvage their futures , read it!0 of 0 people found the following review helpful. It was helpful for my classes in Guidance with elementary ...By CustomerIt was helpful for my classes in Guidance with elementary pupils but the activities had to be adjusted to the age level of the students I'm handling

You know students need to acquire 21st century skills. But how do you work those skills into the curriculum? Learn how to use the content you already teach to challenge students to think critically, collaborate with others, solve new problems, and adapt to change across new learning contexts. Help students build the seven habituesmdash;habits of disciplined decisions and specific attitudes;they need to succeed.

Angela Maiers has tapped into something missing in many classrooms. The idea of nurturing creativity, encouraging kids to be themselves and to be proud of being themselves is essential. --Janet Reece, Spanish Teacher, Glenbard East High School, Lombard, IllinoisThis book will be a great asset to teachers. I think teachers are so focused on tests and teaching standards that they forget to teach important soft skills to children. --Jennifer Felke, CTE/Business Education Instructor and Staff Development Director for the School of Inquiry, Plymouth High School, Plymouth, Indiana.This book will be a great asset to teachers. I think teachers are so focused on tests and teaching standards that they forget to teach important soft skills to children. --Jennifer Felke, CTE/Business Education Instructor and Staff Development Director for the School of Inquiry, Plymouth High School, Plymouth, Indiana.About the AuthorAngela Maiers is an educator, speaker, consultant, and professional trainer known for her work in literacy, leadership, and global communications. She has spent more than twenty years working in elementary, middle, and university settings as a classroom teacher, reading specialist, coach, special programs facilitator, and university professor.She uses her passion for literacy, learning, and social media to discover creative ways to assist schools and organizations in meeting their learning and productivity goals. Angela is at the forefront of new literacy and web 2.0 technologies. Deeply committed to helping learners understand the transformational power of technology, Angela has facilitated the integration of web/digital literacy, video conferencing, webinars, and multimedia platforms into a range of schools and organizations. She also works closely with schools to renovate curriculum, cultivate culture and climate reviews, and develop online courses.Angela earned a master s degree in educational supervision and reading at the University of Iowa.
