**Robert J. Sternberg : College Admissions for the 21st Century** before purchasing it in order to gauge whether or not it would be worth my time, and all praised College Admissions for the 21st Century:

Sternberg's book convincingly indicts the SAT and ACT exams. A single test lasting a few hours, he writes, "ends up having a weight equal" to the product of "years of effort and dedication" in high school.

Drawing on his own research in the laboratory and in the admissions office, the distinguished psychologist and

educator Robert Sternberg has broadened our vision of how college admissions can be carried out and outlined the resulting benefits for our society. (Howard Gardner)[Sternberg's] book convincingly indicts the SAT and ACT exams. A single test lasting a few hours, he writes, "ends up having a weight equal" to the product of "years of effort and dedication" in high school. (David A. Kaplan Fortune 2010-10-21)About the AuthorRobert J. Sternberg, formerly IBM Professor of Psychology and Education and Professor of Management at Yale, was Dean of Arts and Sciences at Tufts University from 2005 to 2010. He now serves as Provost and Senior Vice President at Oklahoma State University.
