**Roger Fulton, Fulton : Common Sense Supervision: A Handbook for Success as a Supervisor** before purchasing it in order to gage whether or not it would be worth my time, and all praised Common Sense Supervision: A Handbook for Success as a Supervisor:

0 of 0 people found the following review helpful. Must read if your new to supervisionBy J RThe best book for the new Supervisor. I have given several of these out.0 of 0 people found the following review helpful. Good reminders, easy readBy SailorMy boss told us he would be buying this book for the supervisory staff and I bought and read the book early.It is a very simple read and nothing is revelational, but it is well organized and hits the main points supervisors should be thinking of.I've been sharing the book with employees interested in becoming supervisors to give them some perstpective on the expectations of the job.0 of 0 people found the following review helpful. Five StarsBy PaulMPedenGreat reference book

COMMON SENSE SUPERVISION is a practical manual for people who are new or experienced in supervisory positions. Written in a clear non-nonsense style, the book outlines the responsibilities of a supervisor and shows how to make the workday work.From the Trade Paperback edition.
