From Springer : Community Quality-of-Life Indicators: Best Cases VI: 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Community Quality-of-Life Indicators: Best Cases VI: 4:

This book is the sixth in a series covering best practices in community quality-of-life (QOL) indicators. The cases in this volume describe communities that have launched their own community indicators programs. Elements that are included in the descriptions are the history of the community indicators work within the target region, the planning of

community indicators, the actual indicators that were selected, the data collection process, the reporting of the results, and the use of the indicators to guide community development decisions and public policy. nbsp; ?
