Chris Shepherd, Ann Ridley : Company Law (Key Facts Key Cases) before purchasing it in order to gage whether or not it would be worth my time, and all praised Company Law (Key Facts Key Cases):

0 of 0 people found the following review helpful. Most effective for exams By Phillip Taylor MBETHE SIMPLEST, MOST EFFECTIVE WAY TO ABSORB AND RETAIN THE ESSENTIALS OF COMPANY LAW FOR EXAMS An appreciation by Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers The "Key Facts Key Cases" series of books are first class exam crammers (if we are allowed to use this term!) and this

edition of 'Company Law' written by the excellent team of Ann Ridley and Chris Shepherd is one of the best revision texts we have seen in recent years. As with all the Routledge text books, this particular title is probably the most comprehensive on the market as an introduction to the way in which 'Company Law' operates in England and Wales for those new to this developing subject sometimes referred to as 'corporate governance'. The two authors adopt a clear and simple approach with legal vocabulary which is carefully clarified throughout the book. One of the main reasons why we consider the Routledge series of legal textbooks to be of outstanding value both in terms of cost and in content is the way in which their authors (all legal experts) explain substantive legal issues in such a readable fashion. For both tutors and students, a decision on which textbook or revision book to use is always difficult but it is clear to us from the feedback we have received from students that the Routledge texts lead the legal field. Many of their titles also have excellent links to websites sometimes marked as 'companion websites' which also add much assistance to the hard-pressed learner and is a great additional tool for all. We would also say that the formats used by Routledge for their books are very much of a mainstream formula for legal texts which eases the student into methods of legal reasoning for those just beginning their legal studies and for all undergraduates: they certainly helped us with our preparation so do ensure you look very carefully at all the titles they have on offer! The authors make good use of diagrams, tables and regular checklists at the end of each chapter which act as summaries to make the subject come alive in a most engaging style for modern learning outcomes. The key definitions and the many key cases together with the way in which the learning objectives are achieved in each of the 12 chapters are of particular help to those new to the subject and we consider that this title remains an ideal first introduction to Company Law for undergraduates, those preparing for academic or professional examinations, and anyone interested in this growing area of substantive law for 21st century. The law is stated as at 28th July 2014.

Key Facts Key Cases Company Law will ensure you grasp the main concepts of your Company Law module with ease. This book explains the facts and associated case law for: - Shares- Capital Maintenance- Failure and Liquidation- Directors- Borrowing. Ann Ridley is Interim Dean, Business and Management, Accounting and Law at The University of Gloucestershire. Chris Shepherd is Lecturer in Law at London South Bank University. **Key Facts Key Cases** is the essential series for anyone studying law at LLB, postgraduate and conversion courses. The series provides the simplest and most effective way to absorb and retain all of the material essential for passing your exams. Each chapter includes: diagrams at the start of chapters to summarise key points; structured headings and numbered points to allow for clear recall of the essential points; charts and tables to break down more complex information. Chapters are also supported by a **Key Cases** section which provides the simplest and most effective way to absorb and memorise essential cases needed for exam success. Essential and leading cases are explained. The style, layout and explanations are user friendly. Cases are broken down into key components by use of a clear system of symbols for quick and easy visual recognition. Series editors: Jacqueline Martin and Chris Turner LLM, who is Senior Lecturer in law at Wolverhampton University.

"The simplest, most effective way to absorb and retain the essentials of company law for exams." - Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers. About the Author: Ann Ridley is Interim Dean, Business and Management, Accounting and Law at The University of Gloucestershire. Chris Shepherd is Lecturer in Law at London South Bank University.
