Scott T. Allison, David M. Messick : **Conceptions of Leadership: Enduring Ideas and Emerging Insights (Jepson Studies in Leadership)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Conceptions of Leadership: Enduring Ideas and Emerging Insights (Jepson Studies in Leadership):

An exploration of both classic and contemporary conceptions of leadership, focusing on social psychological approaches to central questions such as the way people think about leaders and leadership, the personality attributes of leaders, power and influence, trust, and the qualities that sustain positive relationships between leaders and followers.

About the Author David Messick is Professor at the Northwestern University.
