7 simple steps to help you find your perfect job Kickstart your job applications and get the job you want. If you're new to the job market, back for a restart, or want a change of scene, we'll help you target what you want and show you how to get there. The job market is tougher than ever, and making a great first impression is everything.

Will debunk the myths of applying for jobs, help get your CV into shape and prepare you for the interview. Just make sure you get there on time (that bit's up to you).

About the Author Peter Storr is an occupational psychologist with many years' experience in helping people to identify their key strengths and in interviewing and assessing candidates at organizations such as the BBC and King's College London.
