**Larry C. Farrell : Getting Entrepreneurial!: Creating and Growing Your Own Business in the 21st Century** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Getting Entrepreneurial!: Creating and Growing Your Own Business in the 21st Century:

6 of 6 people found the following review helpful. a must-have book for would-be entrepreneurs  
By A Customer  
This book is a fantastic treasure-trove of practical information and inspiring true stories which will form a firm foundation for any aspiring entrepreneur. I heartily recommend Larry Farrell's down-to-earth prescription for becoming financially

self-sufficient in today's turbulent economy. It's also a really fun read - highly unusual in any business book!
