Great value for moneyBy Johnny TsangThe material presented in this book is very easy to read and earned my complete respect for more than "Getting Started". In my view this book offers great value for money. Reading this book like attending a world class seminar that we have to pay thousands of dollars, not to mention about travel. The current Tools and practical Lists and Forms presented are very concise and ready for use. Don't be misled

by the title. This is a down-to-earth book for seasoned project managers as well. 0 of 0 people found the following review helpful. Four Stars By Nelson T. I found it to be very helpful
