Yoursquo;re already familiar with the Xero system and how it feels to be working in the cloud. Now itrsquo;s time to expand your knowledge and really get the most out your Xero experience. This In A Day ebook will get you there. Business decisions arenrsquo;t all about data; theyrsquo;re about gut instinct and courage. But without the data (that

you can easily access on the go with your Xero dashboards mdash; on your iPad on a yacht in the Bahamas) you could be making critical decisions blindly. Not only does this ebook help you understand how to generate awesome management information, it also introduces you to tips and tricks that can further assist the processes of your business and provide you with the capacity to grow. Inside you can take a look at the kinds of useful information you can generate, and how to customise information and reports to your needs. Check out Xero's online networks and the different add-on solutions available to you and your team. Discover the online networking capabilities of Xero, the cost benefits of using add-ons, and which add-ons might be useful to you and your business. Generate useful information you can use to run your business with *Getting the Most Out of Xero In A Day For Dummies*.
