**Manhattan Prep Publishing : GMAT Geometry (Manhattan Prep GMAT Strategy Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised GMAT Geometry (Manhattan Prep GMAT Strategy Guides):

0 of 0 people found the following review helpful. Perfect guideBy Dante PeraltaGood examples and detailed explanations. Cheat sheets are very helpful. Don't forget to try additional online questions to continue practicing.0 of 0 people found the following review helpful. Great study material!By RBThis is a must have for anyone taking the GMAT. Really helpful! Plus you get access to 6 practice exams for freeNow I'm starting on their Critical Reasoning book0 of 0 people found the following review helpful. Great guide prepBy AngelicaDescribe how to go into solving the problems in detail. I significantly improved in this section.

Adapting to the ever-changing GMAT exam, Manhattan Prep's 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile

scores, these books are designed with the student in mind. The GMAT Geometry strategy guide equips you with powerful tools to grasp and solve every geometry problem tested on the GMAT. It covers not only fundamental geometric principles and techniques but also nuanced strategies for tackling tricky questions involving polygons, the coordinate plane, and many other topics. Unlike other guides that attempt to convey everything in a single tome, the GMAT Geometry strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Geometry strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's Geometry Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition.
