Are you wondering how to turn your great new business idea into a successful company? Herersquo;s the roadmap. In

"Great from the Start," John Montgomery combines three decades of experience as one of America's preeminent corporate lawyers with the wisdom of a wide range of startup industry veterans to offer the business secrets of Silicon Valley as an essential blueprint for any entrepreneur wishing to start a successful company. From raising venture capital to building a balanced team, from designing your culture to managing a board of directors, this book will help you experience the joy of building a successful company. Finally, if you are a leader who aspires to operate from the heart, believes in abundance and plays power with instead of power over, "Great from the Start" suggests how you can leverage neuroscience and the science of consciousness to inspire and lead your corporation so that it is optimized for the people that work there.
