This was just amazing. The research is expansive meticulous the book is consummate as it covers the entire gamut of our lives. Can't recommend it more.0 of 0 people found the following review helpful. Three StarsBy Cheryl MolinaMore distressed than expected0 of 0 people found the following review helpful. Best book of its kindBy NicholeI have read a few earth friendly of books of this type and this is by far the best. It answers many questions and offers a array of better and practical options. I highly recommend.

How green can you be? Green: Drive the speed limit Greener: Drive a fuel-efficient car Greenest: Bike or walk The perfect guide to help readers decide how to best spend their time and money to protect the environment, Green, Greener, Greenest offers flexible tips for everyday living, all categorized as "green," "greener," and "greenest." Cutting through the labeling and the hype, it helps readers choose the advice that fits their schedule, their budget, and their interests, with the understanding that there's never one "right way" to make a difference. This indispensable resource will grow with readers-whether a novice in green living or a veteran environmentalist-as their interests and needs change over time.
