Growing beautiful Christmas trees is a great way to generate off-season farm income and make better use of your land. From selecting a site and planting the right species to marketing and selling trees, this Storey BASICSreg; guide shows you how to build and maintain your own small tree nursery. Including handy tips for making handcrafted kissing balls and holiday wreaths, Growing Christmas Trees covers everything you need to know to successfully cultivate stunning evergreens that will provide income and bring holiday cheer.

From the Back CoverExactly What You Need To Know Grow beautiful Christmas trees sustainably on your small farm or in your backyard. As income supplement or outdoor hobby, the tradition of Christmas tree farming is both satisfying and practical and can make good use of fallow land. Grower Patrick White has built on and updated these techniques, pioneered by nurseryman and author Lewis Hill, to guide the modern grower every step of the way, from site selection to planting tips to sales strategies.
