This is the 3rd book I've read of his and this is some of his best work! Skyscraper makes you want to get up and do everything you said you wanted to do. The stories are inspiring and real. No matter what stage you are in life, Skyscraper will encourage and push you to be GREAT! What is great about the book is Rahfeal talks about his personal experience and his journey to great and constant growth.! I knew I would love the book as soon as he shared it was inspired by his grandmother, there is nothing better than a grandmother's love and wisdom. My favorite part of the book is D3=F Philosophy. It's a great philosophy and a tool to hold yourself accountable.I highly recommend this book, it's never to late to get started on a dream you always wanted.0 of 0 people found the following review helpful. The most life changing book one MUST read...By Gina GeronimoATTENTION: you must get this book; no money in the world will teach you the life lessons and PERSPECTIVE of how life should be treated in this book. This author has an extraordinary VISION of how things and people around us determine many outcomes in your lives. He allows us to take a look at life from his view, enhancing our perspective of life itself into a new dimension that leads to growth, self-love, consistency, determination, success, empowerment, and all the POSITIVE energy we as humans need in our daily lives. "Many of us are breathing, but the real question is: are you really living ?" Take the time to invest in yourself and buy this tremendous book that will change your view in many ways. If you can buy a \$10-20 dollar fast food meal which leads to many difficulties for your health then you MUST buy this book in which will pour awareness to your MIND!!!!!!!!!!0

Rahfael understands how easy life's distractions can deter you from your path to ...By CustomerIf you are SERIOUS about changing your life, this book will definitely put you on the right path. Rahfael holds nothing back in this read. His voice is that of a big brother who's "been there and done that." He encourages the reader to stop making excuses in order to get to the life that they've always dreamed of. Rahfael understands how easy life's distractions can deter you from your path to greatness. This book will give you the tools to recognize and combat those distractions. Without the distractions, your mind, body, and spirit are open to all the gifts the universe has in store for you. Rahfael believes we are all born great and helps us to walk in our greatness with this awesome book. Thank you, Rahfeal!!!
