language that most business owners (or potential B.O.'s) can understand. I have heard both of these ladies speak in person this book does a great job of bringing together everything they speak about. I've always said, "the best way to give yourself a raise is to pay less taxes". This book will help you do that more. About anyone can OWN a business but not everyone can RUN a business. This book will help you RUN your business in the most efficient way.0 of 0 people found the following review helpful.
