Larry J. Koenig : Smart Discipline for the Classroom: Respect and Cooperation Restored before purchasing it in order to gage whether or not it would be worth my time, and all praised Smart Discipline for the Classroom: Respect and Cooperation Restored:

0 of 0 people found the following review helpful. It's ElementaryBy Texas GalThe book had some good ideas in it, but it seemed a bit Elementary to me. As a high school teacher it did very little to help me with the discipline problems I have in a high school classroom. However, it would work in grades 2-6.0 of 0 people found the following review helpful. Great bookBy laceylilyEasy to read book, had lots of suggestions and ideas to assist you with classroom management. I would recommend this book. It doesn't talk down to you and talks about ideas that would assist you in the typical classroom not what people think is the ideal classroom. I teach high school and found it very informative

Demonstrates sound principles for handling misbehaviors, establishing a positive atmosphere for learning, encouraging cooperation, strengthening teacher-student relationships, and supporting students with Attention Deficit Hyperactivity Disorder.

"Very beneficial for all individuals who must deal with student misbehavior. The Smart Discipline Plan is easy to use and could easily be implemented school wide. This book is recommended for any teacher experiencing difficulty in student discipline."--Gina Segobiano, Superintendent (05/24/2007)"This book presents concrete strategies that are easy to incorporate. The essential message is one of building relationships with students and setting up a win-win environment."--Paulette Tetteris-Woosley, Assistant Principal (05/24/2007)"This practical, user-friendly resource is excellent for teachers working with large classes, with diverse populations of students, and in inclusive environments."--Sharon Damore, Assistant Professor of Education (05/24/2007)"Offers a teacher friendly and manageable plan that maintains the dignity and respect of the students."--Roxie Ahlbrecht, Second-Grade Teacher (05/24/2007)"Very beneficial for all individuals who must deal with student misbehavior.
