From Asian Development Bank : Stakeholder Engagement in Preparing Investment Plans for the Climate Investment Funds before purchasing it in order to gage whether or not it would be worth my time, and all praised Stakeholder Engagement in Preparing Investment Plans for the Climate Investment Funds:

Since the inception of the Climate Investment Funds (CIF), the Asian Development Bank (ADB) has participated in the preparation of 15 investment plans covering the two main CIF funds, the Clean Technology Fund (CTF) and the Strategic Climate Fund (SCF). The SCF comprises three separate programs—the Pilot Program for Climate Resilience (PPCR), the Scaling Up Renewable Energy Program (SREP), and the Forest Investment Program (FIP). This study, which is part of a wider review of CIF experiences in ADB, uses a case study approach to examine how

stakeholder engagement was carried out in the preparation of investment plans in Cambodia, Nepal, and the Philippines, with reference to the guidance provided by ADB and CIF in stakeholder participation.
