Kurtis Mueller, Tanya Lee Howe : Start Run a Tattoo and Body Piercing Studio (Start Run Business Series)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Start Run a Tattoo and Body Piercing Studio (Start Run Business Series):

You don't even have to be an artist or know how to tattoo to open and run a tattoo and/or piercing business/parlor/shop

... you can hire tattoo artists and piercers to do that for you. A lot of people who are currently opening studios open in their homes and are getting nailed by health authorities; this book will cover how to open legitimate tattoo businesses. There aren't any other books like this out there currently. The popularity of this business with the younger crowd is growing too; look at TV shows like LA Ink (Kat Von D), Hart Huntington, Miami Ink, London Inked, etc.
