BCS The Chartered Institute for IT : Start-ups: A toolkit for entrepreneurs before purchasing it in order to gauge whether or not it would be worth my time, and all praised Start-ups: A toolkit for entrepreneurs:

Starting up your own business can be an exciting yet daunting venture. The case studies, interviews, and articles in this ebook will provide valuable insight for the aspiring entrepreneur. They cover areas such as marketing and finance, address legal issues and tackle aspects of the day-to-day running of a business, from time management to the effective use of social media. This ebook also includes excerpts from best-selling BCS books such as 'Working the Crowd' and

'Master the Moment'
