Erica Weintraub Austin, Bruce E Pinkleton : Strategic Public Relations Management: Planning and Managing Effective Communication Campaigns (Routledge Communication Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Strategic Public Relations Management: Planning and Managing Effective Communication Campaigns (Routledge Communication Series):

0 of 0 people found the following review helpful. If PR is For You, Then This Book Is TooBy Brian DAustin Pinkleton (2015) shed light on various topics of PR in the professional world. Everything from the importance of credibility to oral presentations are featured. The book informed current knowledge of the profession.

Strategic Public Relations Management features an applied approach to evidence-based, strategic public relations management. It emphasizes understanding audiences through research and demonstrates success through quantitative evaluation methods. The volume presents a scientific approach that helps future and current practitioners understand

and communicate the value of public relations to others, using performance metrics to demonstrate return on investment. New to the third edition: New examples on the effective use of digital communication and online research tools; Updated guidance on researching using digital tools and social media; New examples that provide a more accessible pathway to real-world application. In addition to these new features, the book covers: Creating a framework for planning; Up-to-date research tools and how to develop a research plan; Gathering useful data for strategic guidance; Real-world examples that provide readers with realistic cases and situations; Applying theory to professional practice. The book's accessibility will be welcomed by instructors and students with definitions of terms, a how-to approach, and an accessible style of writing throughout.
