Michele Cagan : Streetwise Business Plans: Create a Business Plan to Supercharge Your Profits! before purchasing it in order to gage whether or not it would be worth my time, and all praised Streetwise Business Plans: Create a Business Plan to Supercharge Your Profits!:

0 of 0 people found the following review helpful. Somewhat DisappointedBy DianaAlthough there was software attached there was no Table of Content or no basic outline to follow in terms of putting the Business Plan together. I had problems with pulling it all together and found the book as well as the software not to be of assistance in that area whatsoever.I thought that the software would give you a laid out format to follow much easier than what I found that would assist me in the actual writing of this Business Plan and what I got was allot of sections with questions that I needed to cut and paste with no rime or reason that I needed to put together with no Table of Content on how it needed to be put together, in my opinion. Kind of like a gig saw puzzle. I wasn't counting on that! This book and software did not give me what I needed!0 of 0 people found the following review helpful. Good FindBy ShaeThereseIt was good. Wanted more information but good.0 of 0 people found the following review helpful. Audio CD brokenBy MaryDelivery was fast, great product but audio CD was broke!

Every great business begins with a great business plan! Nearly half of all new businesses fail within the first to years. To beat these odds, your new business needs a plan. Streetwise Business Plans with CD shows you how to create a professional business plan in no time. This book explains how to use a business plan to establish a sound business, develop a complete marketing strategy, and forecast change. Streetwise Business Plans with CD features multiple samples of prewritten text for every part of your plan, as well as two complete sample business plans. Streetwise Business Plans with CD includes sample material to be used in creating the ultimate business plan. The CD walks you through all of the basics and includes important topics such as Your General Executive Summary, Company Summary, Services Products Summary, Market Analysis, Strategic Summary, Management Summary, and a Financial Plan. Whether you're expanding an established enterprise or opening a one-person shop, the best way to get your new business off to a good start is with Streetwise Business Plan with CD!
