Grant MAYBERRY : Successful Negotiating: EBook Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Successful Negotiating: EBook Edition:

0 of 0 people found the following review helpful. Very good book By Lisa B Bought for the negotiation class I am teaching. Very useful. Concise, yet still detailed. Puts negotiation into understandable. Bought it on sale it was a great value!

How to achieve positive outcomes using planning and conversational techniques. Very few of us are born negotiators. However, Successful Negotiating can teach you the art of win/win negotiation. You'll get a firm grasp of the negotiating tricks and techniques the pros use. Learn everything from prenegotiation planning to the use of seemingly unimportant details like seating arrangements and meeting site selection to influence the results of negotiations. You will learn how to: bull; Sway an opponent with timing and association techniques bull; Identify an opponent's real but

often hidden needs bull; Use questions to control the thrust of a discussion bull; Employ proven strategies like the "missing man," "straw issues," and "walkout" ploys bull; Communicate a position clearly and precisely bull; Plan a realistic course of action based on sound preparation and an objective appraisal of resources bull; Keep the negotiation process open to reasonableness and flexibility at all times bull; Draw on your own skills, experience, and self-discipline to keep the process moving in the direction you want.
