Donald Todrin : Successfully Navigating the Downturn: Economic and Competitive Survival Strategies before purchasing it in order to gage whether or not it would be worth my time, and all praised Successfully Navigating the Downturn: Economic and Competitive Survival Strategies:

0 of 0 people found the following review helpful. Five StarsBy Greg HallVery enlightening. Helped tie some things together for me.0 of 0 people found the following review helpful. Five StarsBy Michelle WayneGreat advice!2 of 2

people found the following review helpful. Times are changing- great advice to help you navigateBy doctur44The business world is different out there and so the strategy must change moving forward if you want to survive and learn to prosper. I was able to read the book with ease and take some important lessons and apply them to my own business. Don has extensive business experience and great insight on business issues facing us all in this economy. This is a small business owners hand book that can be used as a reference manual moving forward. It is not a one time read. I recommend you check it out. I bet you will find a way to help your business improve by putting his advice into action.

SURVIVE AND SUCCEED!No business escapes it. At some point, every business faces a domino-like impactwhether yoursquo;re caught in the onset of a cyclical economic downturn, a competitor emerges and takes your market share, or your company expands too fast without enough capital. The path to success can be overwhelmingthis is your navigation plan.Seasoned business consultant Donald Todrin reveals the rules to surviving any downturn and shows you how to recast your business to succeed under even the most challenging circumstances. Armed with solutions, proven strategies, and from-the-trenches advice, learn how to tackle common dilemmas and critical pitfalls, protect against future failure, and, even, uncover new opportunities to grow.Learn: 4 Principles to successfully navigating a financial downturn 15 Rules of engagement to recast your business The secrets and myths of workouts with the IRS, SBA and other lenders 6 Biggest downsizing mistakes Top ways to lower your expenses Game-changing management musts How to market without money Payroll 911 50 Ways to succeed And more!Take action against potential disasterand start focusing on future growth!
