BusinessNews Publishing : Summary: Aftershock: Review and Analysis of Robert B. Reich's Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Summary: Aftershock: Review and Analysis of Robert B. Reich's Book:

0 of 0 people found the following review helpful. I love Bob Reich by Barbara Elgin. If only Americans would listen to Bob's suggestions. However that seems too hard for most to consider especially in a time of Trump.

The must-read summary of Robert B. Reich's book: "Aftershock: The Next Economy and America's Future". This

complete summary of "Aftershock" by Robert B. Reich, a renowned American political commentator and economist, presents his argument that the crash of the American economy was due to the concentration of income and wealth at the top of society. In his book, the author explains that the middle class has been forced into debt in order to maintain their living standards, creating an unstable economic situation. Reich highlights that the only step forward is to regain balance in the American economy so that economic and financial benefits are shared throughout society. Added-value of this summary: Save time; Understand how income inequality led to the financial crisis; Expand your knowledge of politics, society and economics To learn more, read "Aftershock" and discover the current state of the American economy and the action needed for a solution.
