**BusinessNews Publishing : Summary: Overachievement: Review and Analysis of Eliot's Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Summary: Overachievement: Review and Analysis of Eliot's Book:

The must-read summary of John Eliot's book: "Overachievement: The New Model for Exceptional Performance". This complete summary of the ideas from John Eliot's book "Overachievement" shows that overachievers think differently from the average person. In his book, the author compares the overachiever's mindset with that suggested by the traditional quick-fix motivational speakers and self-help speakers. According to Eliot, to join the ranks of the high

performers, you need think differently and develop the mindset of an overachiever. This summary will teach you exactly how to do that and provides valuable insights into the mind of the overachiever. Added-value of this summary: **Save time**; **Understand key concepts**; **Expand your knowledge** To learn more, read "Overachievement" and change the way you think about pressure and make it work to your advantage.
