The must-read summary of Jeff Hoffman and David Finkel's book: "Scale: Seven Proven Principles to Grow Your Business and Get Your Life Back". This complete summary of the ideas from Jeff Hoffman and David Finkel's book "Scale" shows that budding entrepreneurs must build their business the right way in order to succeed. To do this, they must reduce the company's reliance on themselves so that the business can grow and eventually be sold. This is what takes an entrepreneur from simply being self-employed to owning a scalable business with multiple employees. The authors explain that scaling a business consists of seven key principles which are split into four phases from building a solid foundation to learning to manage your time. This summary will take you through each principle and help you to create a strategic plan to grow your business while still managing your own time. Added-value of this summary: **bull;** Save time**bull;** Understand the key concepts**bull;** Increase your business knowledge To learn more, read "Scale" and discover how you can grow your business and still have time to yourself.
