to Sell Your Ideas". This complete summary of the ideas from G. Richard Shell and Mario Moussa's book "The Art of Woo" shows that selling ideas involves a different strategy to selling objects: you must use "relationship-based persuasion" which is not based on coercion or hard-selling, but agreement. You not only want to sell your idea, but you want to carry on selling it, and sell future ones to a receptive audience. In their book, the authors explain their four-step process to achieving this that you can follow in your own business. This summary is a must-read for both established businesses and new entrepreneurs. Added-value of this summary:
