**Stanley Aronowitz, William DiFazio : The Jobless Future: Second Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jobless Future: Second Edition:

0 of 0 people found the following review helpful. Five Stars  
By Dr. William DiFazio  
I'M WILLIAM DIFAZIO, I'M THE CO-AUTHOR OF THE JOBLESS FUTURE. MY REVIEW WOULDN'T BE ACCEPTED  
AN ETHNOGRAPHIC STUDY OF ARCHITECTS, ENGINEERS, BIOPHYSICIST'S, ACADEMICS. IN EVERY CHAPTER THERE IS A SOLID THEORETHIC ANALYSIS.

more relevant now than ever  
By Alan G. Nasser Sr.  
The permanent loss of good jobs in the US is perhaps the major

domestic issue of these times. This is a good place to start thinking. 9 of 10 people found the following review helpful. Insightful and Important Analysis of War on Labor By Susanna Heller This book is a must read for anyone interested in grasping the true situation for workers in America today and into the future. Written ten years ago, the predictions and warnings in the book have come to pass. The reissue includes a brilliant new forward and afterward by Aronowitz and DiFazio.

High technology will destroy more jobs than it creates. This grim prediction was first published in the 1994 edition of *The Jobless Future*, an eerily accurate title that could have been written for today's dismal economic climate. Fully updated and with a new introduction by Stanley Aronowitz and William DiFazio, *The Jobless Future* warns that jobs as we know them-long-term, with benefits-are an endangered species.

About the Author Stanley Aronowitz is distinguished professor of sociology at the Graduate Center of the City University of New York. He is the author of numerous books, including *Paradigm Lost* (Minnesota, 2002). William DiFazio is professor and chair of the sociology department at St. John's University, New York. He is the author of *Ordinary Poverty*.
