Nixon (San Francisco, CA) achieved early success in the field of real estate, and later in the business community as a "turn around specialist" with a large, American-based business conglomerate. As an executive with K-Tel International, Inc., he pioneered the television sales promotion industry in the late 1970s and is known as the father of the infomercial. He is the retired Chairman-CEO of F.P. Publishing Co, Inc. a publisher of books, e-books, audio tapes, seminars and web-based products for both the general public and corporate clients.From AudioFileRead enthusiastically by the author, this perky guide to career success digs into the emotional and social influences that keep us from our vocational destinies. The source book has been a self-published success for 29 of the 30 years it's been floating around, a phenomenon that is a tribute to the author's folksy insights and spirited suggestions. The inviting title is not hyperbole; remarkable things happen when we develop a vision and have faith that it can be expressed in the marketplace. The businesses he suggests tend to be Web-based sales ventures, and he offers a lot of snappy marketing ideas. With its many exercises and directives, this is well-organized career and business advice delivered by a genuine and knowledgeable author.
