Companies these days who don't heed these warnings are going to be hardpressed to be successful in the long-term.0 of 0 people found the following review helpful. Keeping the Motor Runnin'By Do-GooderI first discovered this book while working on my masters degree. I enjoy nearly any business book that encourages my to rethink my views of leadership and business and this book did that very thing. Leadership does not sit alone in the C-Suite. Rather, leadership exists throughout the organization. The Leadership Engine

provides one perspective on how and why we need to encourage the development of individuals throughout the organization.0 of 0 people found the following review helpful. Ease of Electronic DownloadBy CustomerNeeded for my masters class and was the only avenue to get it electronic.

In this Wall Street Journal and BusinessWeek bestseller, Michigan Business School guru and worldwide consultant Noel Tichy brings his special brand of organisational transformation to a practical level that guarantees a leader at every level of an organisation. Why do some companies consistently win in the marketplace while others struggle from crisis to crisis? The answer, says Noel Tichy, is that winning companies possess a "Leadership Engine" , a proven system for creating dynamic leaders at every level. Technologies, products and economies constantly change. To get ahead and stay ahead, companies need agile, flexible, innovative leaders who can anticipate change and respond to new realities swiftly. Tichy explains that everyone has untapped leadership potential that can be developed winning leaders and winning organisations have figured out how to do this. In this acclaimed bestseller, Tichy offers colourful and insightful best-practice examples from dozens of leaders gathered from decades of research and practical experience.
