**World Bank : The Little Data Book 2015 (World Development Indicators)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Data Book 2015 (World Development Indicators):

The Little Data Book 2015 is a pocket edition of World Development Indicators 2015. It is intended as a quick reference for users of the World Development Indicators database, book, and mobile app. The database covers more than 1,200 indicators and spans more than 50 years. The 214 country tables present the latest available data for World

Bank member countries and other economies with populations of more than 30,000. The 14 summary tables cover regional and income group aggregates.
