0 of 0 people found the following review helpful. A must for all supervisors and managers!By CustomerDefinitely better than asking the same old questions0 of 0 people found the following review helpful. Incredibly usefulBy C.

Symkowick-Rose If you are involved in interviewing and hiring in any field and you do not have this book... Well, what is wrong with you?! I keep this book in my interview file and utilize it to help prepare for every interview regardless of the position. The book contains excellent questions for any interview. It is a must have item. 0 of 0 people found the following review helpful. Great book for managers
By Customer
Very helpful in preparing for interviews, on either side of the desk :-)

The Manager's Book of Questions is the first of its kind tool for recruitment managers and executives a powerhouse of terrific interview questions for hiring top-notch talent for any job. Is the applicant a team player? How does the applicant handle stress? Can the applicant think on his or her feet? How do you determine aggressiveness in sales people or creativity in a product designer? You find hundreds of questions on these and many more topics to make your interviews more productive and give you the ammunition you need to make a smart decision. For anyone who does any hiring, regardless, of level, this is the "must-have" guide.
