Robert Finkel : The Masters of Private Equity and Venture Capital (Professional Finance Investment) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Masters of Private Equity and Venture Capital (Professional Finance Investment):

4 of 4 people found the following review helpful. Didn't learn any valuable lessons By Jimmy t. Bought with the assumption that these masters would share a lot of financial wisdom my way and that I'd be wiser and better off at the end. Unfortunately I really just read memoirs. Don't get me wrong it was a good read, but I'm disappointed at the lack of insight gained. 3 of 3 people found the following review helpful. Maybe a decent book but

not for me. By Alan If you have plenty of time and like reading stories, this is the book for you. To me I have to literally search for useful points among the long wordy narratives. 1 of 1 people found the following review helpful. It's easy to read and has great advice from leading VC/PE ... By BQI have started my Venture Capital firm last year and this book helped a lot to understand the business especially that I have only investment banking background. It's easy to read and has great advice from leading VC/PE personal.

Ten Leading private investors share their secrets to maximum profitability In *The Masters of Private Equity and Venture Capital*, the pioneers of the industry share the investing and management wisdom they have gained by investing in and transforming their portfolio companies. Based on original interviews conducted by the authors, this book is filled with colorful stories on the subjects that most matter to the high-level investor, such as selecting and working with management, pioneering new markets, adding value through operational improvements, applying private equity principles to non-profits, and much more.

About the Author Robert Finkel is president and founder of Prism Capital, a private equity firm. He manages a \$190 million private equity fund that invests in growing companies and provides financing to more mature companies. David Greising is chief business correspondent for the Chicago Tribune.
