If like millions of others you know deep down that you deserve to do better than where you are today, than this book is for you. Not a book based on old fashion theories or textbook scenarios, The Millionaire Dropout is instead based on tried and tested methods of increasing personal skills, increasing your wealth, improving your life-style and releasing all the personal power that is locked up inside you. Based on the author's firsthand experience of bootstrapping himself out of failure, The Millionaire Dropout is for anyone who wants to learn the secrets for increasing their income and their standard of living. Divided into three sections readers will walk through the stages for taking control of their life, learning how to make more money, and learning how to be smart with their successes. Everyone owes it to themselves to invest a little time and effort into increasing their standard of living and releasing the personal power that is locked up inside of us all.

This book would benefit someone at the start of their entrepreneurial journey, or a failing businessperson who needs a confidence boosting pep talk. (Talk Business, July 2013) Stanzone writes in a clear, concise, conversational manner that is easy to follow and forms a pleasant friendly feeling of genuine dialogue between reader and author. (Start Your Business, August 2013) His book presents real tools and ideas on how to set up businesses that will offer massive income and how to pick up new trends which the market is craving...It's enabling message that we all have it within us to reach the success we both must want and believe we can achieve is far more empowering than any lottery ticket could ever be. (Daily Express, 30th September) From the Back Cover "Choose a job you love, and you will never have to work a day in your life." — Confucius Join the ranks of those who are living a lifestyle others only dream about — those who are not only rich financially but also in time and fulfillment.
