Michael Fullan : The Moral Imperative Realized before purchasing it in order to gage whether or not it would be worth my time, and all praised The Moral Imperative Realized:

0 of 0 people found the following review helpful. Four StarsBy carolinaSome great ideas for those seeking leadership qualities.0 of 0 people found the following review helpful. Energizing and invigorating!By Marianne Mette StenbergThe moral imperative realized gives both direction and energy in the important task of closing the gap and raising the bar for our students. Read it!0 of 0 people found the following review helpful. EducationBy Linda M. WilliamsExplains the plight of education

Award-winning author and educational reform expert Michael Fullan shows how to achieve successful local and systemic school reform through the strength of shared leadership.

"Every child must reach their potential, that is the moral imperative that Michael Fullan is again calling our attention to! Not only does *The Moral Imperative Realized* shine the light on the path that each of us in Public Education must walk; it provides the call to action that we must answer!"--Marcus P. Johnson, Superintendent (10/12/2010)"*The Moral Imperative Realized* is a call to action. Michael Fullan makes it clear that the most pious mission statement held with passionate conviction will not improve schools unless educators take strategic actions to bring that mission to life. More importantly, he offers specific examples of system-wide improvement with such precise strategies for implementation that inaction is no longer an option for educators who contend they are committed to high levels of learning for all students. Like all of Fullan's work, this is a must read."--Richard DuFour, Author (10/12/2010)"A powerful and timely book that forcefully says that the only moral reality that counts is one that you can actually accomplish. And then Fullan shows how this can be done."--Bill Hogarth, Consultant (10/18/2010)"Michael Fullan has given us a powerful roadmap for combining passion and strategic action. Practical, succinct and engaging. If this book doesn't move leaders to realize their moral imperative, nothing will!"--Mary Jean Gallagher, Chief Student Achievement Officer (10/18/2010)"*"Every child must reach their potential, that is the moral imperative that Michael Fullan is again calling our attention to! Not only does *The Moral Imperative Realized* shine the light on the path that each of us in Public Education must walk; it provides the call to action that we must answer!"--Marcus P. Like all of Fullan's work, this is a must read."--Richard DuFour, Author (10/12/2010)"Michael Fullan ups the ante once again for school reformers. In *The Moral Imperative Realized*, he makes it clear that anyone who ignores the moral dimensions of school improvement is doomed to fail. This is an essential resource for any change leader."--Jim Knight, President (10/18/2010)"A powerful and timely book that forcefully says that the only moral reality that counts is one that you can actually accomplish. And then Fullan shows how this can be done."--Bill Hogarth, Consultant (10/18/2010)"Michael Fullan has given us a powerful roadmap for combining passion and strategic action.
