0 of 0 people found the following review helpful. Pocket power bookBy MarilynThis book will lift you up and encourage as you read it. When I was feeling down, the pages of the book really spoke to me, by encouraging me through motivation and inspirational words of encouragement. I highly recommend this book if you really want to be motivated.

This book contains two hundred suggestions and challenges to show people at every level of an organization how to find inspiration and how to motivate those around them to new heights.
