John Vigor : The Practical Encyclopedia of Boating: An A-Z Compendium of Navigation, Seamanship, Boat Maintenance, and Nautical Wisdom before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Practical Encyclopedia of Boating: An A-Z Compendium of Navigation, Seamanship, Boat Maintenance, and Nautical Wisdom:

0 of 0 people found the following review helpful. Great book! They cover a ton of materialBy Kevin H. CustomerGreat book! They cover a ton of material. And they do it in a very practical way. Anyone buying this book will love how it gets directly to the point of whatever topic you are seeking. No time wasted on fluffy language to make the book thicker... I Love it!0 of 0 people found the following review helpful. As expected. Good delivery time.By MegAs expected. Good delivery time.0 of 0 people found the following review helpful. greatBy DLBlandExcellent product, good seller, will recommend highly.

"Vigor is one of the finest boating writers of our time." --Cruising World
"You name it, it's in here. Covers every boating situation. This book is both informative and entertaining." --Latitudes Attitudes
"John Vigor is the answer guy if you're having onboard arguments about nautical terminology or the science of sailing in general, and his new book lives up to the promise in its title." --Good Old Boat
Whether it's boat maintenance, navigation, boat handling in all kinds of weather, or the physics of how boats function, every sailor and powerboater needs a comprehensive go-to source for specialized information. Now you have it with The Practical Encyclopedia of Boating: Addresses virtually every aspect of powerboating and sailing in 500 entries
Covers seamanship and boat handling, navigation, routine boat maintenance, boat design and building, and nautical reference data
Ranges from vital techniques--such as recovering overboard crew and measuring distances off--to essential concepts like reading the water and sky and evaluating a boat's seaworthiness
Includes numerous cross-references and an exhaustive index to direct you quickly to the right entry and to unify related topics
Makes delightful browsing as well as a source of sound guidance for practically any boating situation

"Vigor is one of the finest boating writers of our time" - Cruising World; "Vigor presents an incredible amount of information in a very clear way" - Ocean Navigator; "Well organized and easy to read. It should be on every vessel" - Ensign review of Boatowner's Handbook; "An invaluable resource. Vigor's practical wisdom gives you the know-how and confidence to prepare your boat for the sea" - Cruising World review of Seaworthy Offshore Sailboat
