**Patricia Carter Dyke : The Practical Guide to Quality Child Care** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Practical Guide to Quality Child Care:

0 of 0 people found the following review helpful. Information YOU NEED By MsEva The format is simple to read and get through. It is not a straight read through but with chapters dedicated to important concepts that you can pick and choose from. You will soon find that you have read the whole book as it is all so relevant to the field. Add to the package that the book has almost one hundred sample pages of important letters and forms and you will love this purchase.

This uniquely comprehensive manual is a clear, easy-to-read handbook that provides specific guidelines for virtually every aspect of early childhood administration. Contents include: sample criteria, procedures for program development, schedules, applications, and evaluation forms. An invaluable tool for every child care facility manager. - See more at: <https://www.gryphonhouse.com/books/details/the-practical-guide-to-quality-child->
