**N. London : Themes in the Historical Geography of France** before purchasing it in order to gage whether or not it would be worth my time, and all praised Themes in the Historical Geography of France:

Themes in the Historical Geography of France compiles several selected themes in the historical geography of France. This book discusses the practice of historical geography in France; peopling and the origins of settlement; early urban development; and retreat of rural settlement. The regional contrasts in agrarian structure; reclamation of coastal

marshland; petite culture on 1750-1850; and reclamation of wasteland during the 18th and 19th centuries are also elaborated. This compilation likewise covers the historical geography of Western France; urban growth on 1500-1900; and agricultural change and industrial development in the 18th and 19th centuries. This publication is beneficial to historians and geographers aiming to acquire knowledge of the historical geography of France.
